The hours shall be determined by the District.

4.1.1.1 The annual College calendar for ten (10) month Unit Members shall be developed mutually between the Association and the Administration. If no mutual agreement on a College calendar occurs prior to the publication deadline for the College catalog, the Administration shall present a calendar to the Governing Board for adoption. Normally, Unit Members will be assigned a five-day workweek, during which they shall be present on campus or at alternate assigned work locations and engaged in assigned duties. The Dean may assign a compact schedule. That is, a workweek of fewer than five (5) days, providing the compact schedule best meets the needs of the students’ educational programs. Retaining the right of assignment, the Dean or Dean’s designee is under no obligation to assign a Unit Member a compact schedule. Nothing in this section shall preclude the authority of the Dean under section 4.3, Teaching Load, of this Agreement. Any permanent change in a Unit Member's scheduled hours, other than office hours, shall have prior approval of the Dean.

Unit Members assigned a contractual split-shift schedule in time or location as defined in sections 4.2.1.1 and 4.2.1.2 below shall be assigned a compact

For example, an instructor teaching at the Chula Vista Campus at 8:00 a.m. and 9:00 a.m. and in the afternoon at 2:00 p.m. at the Higher Education Center-San Ysidro both on the same days would qualify as having a split-shift assignment.

4.2.2 Unit Members agree to be on campus to attend a maximum of ten (10) School-wide, discipline, or general faculty meetings during each academic year. As a professional responsibility, faculty shall attend School and/or department meetings called by the Dean. The meetings shall be scheduled on a semester basis by the Dean after consultation with the Unit Members of the School. The schedule of meetings shall be developed by the Opening Day of the beginning of each semester for planning purposes, and may be modified anytime during the semester to accommodate schedule adjustments. These meetings shall not be scheduled at 11:00 a.m. on the second and fourth Thursday of each month.

4.2.3 **Counselors:** Counselors are employed for a basic workweek of thirty-five (35) hours to perform professional counseling duties which may include teaching Personal Development courses. The Tenure Review Coordinator will be selected once every three (3) years through a competitive in-house application process. The duties and compensation are those described in the job description and reassigned time for this position is listed in Appendix D of the contract.

4.2.11 **Department Chairs** - Department Chairs as faculty report directly to their respective Dean on all departmental and School matters. Reassigned time for Department Chairs shall be determined as a percentage of load as indicated in Appendix D and shall be consistent with section 4.5 of this Contract, Effect of Reassigned Time Upon Teaching Load and Office Hours. Reassigned time shall
be applied for the duration of a faculty member’s contract, regardless of whether the length of contract is 10, 11, or 12 months.

4.2.11.1 **Duties:** Under the administrative leadership of a Dean, the Department Chair provides leadership to foster the professional growth of the faculty, works to ensure the academic integrity of the programs, facilitates student success through innovation in the curriculum, and represents the interests of the Department. The Department Chair acts as the principal representative of the Department within the School. The Department Chair works with the Dean, works collegially with other departments and collaborates in participatory governance.

In the execution of the office of Department Chair, the Chair shall be expected to perform the following duties and functions:

1. Provide leadership in the evaluation of offered courses; work collaboratively with the Dean and other departments to design class schedules to meet the learning needs of students; provide consultation to the Dean and off-site administrators in scheduling courses at off-campus sites.

2. Conduct interviews of prospective adjunct faculty in collaboration with the Dean; make hiring recommendations to the Dean; develop and maintain a pool of qualified adjunct faculty sufficient to meet the needs of the Department; make recommendations to the College Equivalency Committee.

3. More information, including eligibility, election, and term of office, may be found in the Academic Senate document, Southwestern College Department Chairs.

4.3 **TEACHING LOAD**

4.3.1 A full-time teaching load consists of approximately fifteen (15) lecture hour equivalents each semester. Each lecture hour taught is equated to one (1) lecture hour equivalent, LHE. Each laboratory or activity hour is equated to approximately .80 of a lecture hour equivalent. Appendix A identifies those courses for which additional workload credit is granted.

4.3.2 In the event that a Unit Member’s load assignment for one (1) semester contains fewer than, or more than, the hours required for a full load, the underage or overage will be carried over to the next semester. The Unit Member’s load may be adjusted in the next semester by increasing or decreasing the number of instructional hours. If the underage is or exceeds two (2) LHE, that underage must be cleared from the next available overload. If the variance exceeds two (2) hours or more, the adjustment shall be made in the next semester, unless there is mutual agreement between the Unit Member and the Dean to postpone the adjustment.

4.3.3 A Unit Member teaching on contract may be required to teach an evening class in order to complete his/her contract teaching load. Unit Members within a discipline may develop a rotating schedule for evening assignments subject to Dean approval. Prior to the Dean assigning an evening contract class to a Unit
Member, the Unit Member will be provided the following options:

4.3.3.1 Select an evening contract assignment within the School for which the Dean and the Unit Member agree that the Unit Member is qualified to teach.

4.3.3.2 Replace a day part-time Unit Member in a scheduled class within the School that the Unit Member and the Dean agree that the Unit Member is qualified to teach. The Dean will not be required to adjust class meeting times in order to create this option.

4.3.3.3 Request a reduction in service leave for the semester in lieu of a night contract class assignment.

4.3.4 If the Unit Member is assigned to teach a contract evening course, then he/she shall not be assigned a contract class prior to 9:00 a.m. the following day without the Unit Member's consent. If a Unit Member is assigned to teach an evening contract class, the Dean will make an effort to avoid assigning that Unit Member a day class on the same day. The parties recognize that this provision doesn't require the Dean to change another Unit Member's schedule without his/her consent.

4.3.5 If the Unit Member refuses to accept any of the three (3) available options, the Dean shall assign the Unit Member to a class for which the Unit Member is qualified to teach.

4.3.6 The Dean, with the approval of the cognizant Vice President, may offer a Unit Member reassigned time for a special project to fulfill a contract agreement.

4.3.7 Normally, a teaching load consists of no more than three (3) separate preparations. Face-to-face and on-line sections of the same course are considered separate preparations. In some cases, Unit Member preference or necessity requires the assignment of more than three (3) preparations. Such exceptions are to be determined by the Dean after consultation with the Unit Member involved. The necessity to exceed three (3) separate preparations in one (1) semester shall be related to the curricular offerings within the School, the time constraints of the schedule, and/or the availability of a contract Unit Member to teach the courses offered within the School.

4.3.8 A Unit Member shall not be required to accept Independent Study students.

4.3.9 A Unit Member may not be assigned to more than three (3) consecutive hours of lecture, except when a single class meeting exceeds three (3) hours, or two (2) laboratory or activity classes in one (1) day unless by prior agreement between the Unit Member and the Dean.

4.3.10 The Dean shall consult with the Unit Member in the development of his/her preliminary teaching schedule.

4.3.11 Full-time Unit Members may accept up to six (6) hours per week of overload teaching or additional work assignment for extra pay. Exceptions to this limit shall be granted with the written approval of the cognizant Dean and the cognizant Vice President. The S.C.E.A. President shall be notified of these exceptions in writing within one (1) week of their approval.
4.3.12 A part-time instructor employed on the part-time salary schedule may not be assigned to teach more than sixty-seven (67%) of the load required of a full-time Unit Member.

4.3.13 A Unit Member shall be required to accept Credit by Challenge Exam students not to exceed ten (10) per semester during the academic year. The Dean or designee will distribute the challenge exams equitably among the discipline faculty over the course of the academic year.

4.3.13.1 The discipline in which the Credit by Challenge Exam is administered will receive fifty percent (50%) of the Challenge Exam fee, to be transferred to a departmental fund at the end of each semester, for the exclusive use by faculty within the discipline administering the exam.

4.4 OFFICE HOURS

4.4.1 An office hour is defined as a fifty (50) minute period of time when a Unit Member is available for student consultation and present in his/her assigned office or in a posted instructional area, i.e., classroom or laboratory related to his/her teaching assignment.

4.4.2 Each full-time Unit Member must maintain at least five (5) office hours each week that classes are in session.

4.4.3 An instructor teaching under temporary contract or a reduced load will maintain the number of office hours as the percentage of teaching load is to a full-time teaching load.

4.4.4 The office hours are to be scheduled to ensure maximum availability for consultation with students. Office hours shall be scheduled in no less than twenty-five (25) minute increments and between the hours of 7:00 a.m. and 6:30 p.m. The Unit Member's office hours will be posted by the Unit Member on the door or window of his/her office in a visible position.

4.4.5 Unit Member's office hours may be modified temporarily or permanently during the semester after prior notice has been given to the Unit Member's Dean.

4.5 EFFECT OF REASSIGNED TIME UPON TEACHING LOAD AND OFFICE HOURS

4.5.1 A Unit Member who has been granted reassigned time and teaches a class as a portion of that reassigned time shall not receive LHE teaching load credit for any such class.

4.5.2 A Unit Member who has been granted reassigned time for a special project not covered by this contract will schedule two (2) hours on campus, or, at an alternate approved work location, for each lecture hour equivalent of reassigned time granted, unless the reassigned time is offset by a class that does not count on the Unit Member's load. Contract office hours for Unit Members granted reassigned time shall be prorated as in 4.4.3. Prior to being granted reassigned time for a special project not covered by this contract, the Unit Member shall formulate a brief work plan, in consultation with the respective Dean, which specifies objectives/goals to be achieved, which designates a timeline within which to accomplish the objectives/goals, and which sets forth a schedule of activities to be performed as part of the work plan.
4.6 **BANKING OF OVERLOAD HOURS**

4.6.1 Unit Members who are given an overload assignment may elect to bank a portion or all of the overload hours worked in any one (1) semester.

4.6.2 For purposes of this section only, the words “bank” and “banked” shall mean that Unit Members who have an overload assignment may perform those duties without receiving remuneration for a portion or all of the assignment and may receive during a subsequent semester equivalent release time from their full-time workload.

4.6.3 Banking of overload hours shall take place under the following conditions:

4.6.3.1 A Unit Member may not accumulate an aggregate of more than one hundred percent (100%) of a full semester workload.

4.6.3.2 A Unit Member shall indicate at the time of request for an overload whether or not this overload shall be for pay or for purposes of banking.

4.6.3.3 A Unit Member may utilize banked overload hours during any one (1) semester for the purpose of release time so long as the release time does not exceed the equivalent of one hundred percent (100%) of that Unit Member's full-time semester workload.

4.6.3.4 Before banked overload hours may be utilized as release time, Unit Members must comply with the following:

4.6.3.4.1 Written notice must be submitted to the Unit Member's immediate supervisor no later than ninety (90) calendar days before the beginning of the semester in which the release time is to be utilized. The supervisor may waive this 90-day notice.

4.6.3.4.2 The supervisor shall approve or disapprove the use of banked hours within thirty (30) days of receiving notice from the Unit Member. The use of banked hours may be disapproved if it will cause undue hardship to the department at the time. If not approved, the Unit Member may use his/her banked hours the following semester.

4.6.3.4.3 A decision by the immediate supervisor to disapprove the use of banked hours may be appealed to a committee composed of two (2) members appointed by the District and two (2) members appointed by the Association. The committee shall be empowered to hear the appeal and, by a majority vote of all members, overrule the decision of the immediate supervisor. The decision of the committee shall be final and binding upon all parties.

4.6.3.5 Unit Members who have accumulated banked overload hours and
who decide against utilizing those hours as release time, or whose notice is disapproved shall have the option to be paid for the accumulated hours at the overload rate in effect at the time the hours were banked.

4.6.3.6 For the purposes of salary computation, fringe benefit allowances, and retirement and sabbatical eligibility, an instructor who is utilizing release time in lieu of accumulated banked overload hours in accordance with these provisions shall be considered to be working a full load during the semester the release time is granted.

4.6.3.7 Banked hours include benefits proportionate to the percentage of load banked.

4.6.3.8 For the faculty positions listed in 4.2.1 – 4.2.8 (35-hour week), banked time will be calculated according to a formula that equates the thirty (30) LHE per year load for teaching faculty with a 35-hour week for an academic year for non-instructional faculty.

Hours per day = hours per week less preparation time per week divided by five (5).

Days per year = days listed in 4.1, Calendar, less required Staff Development (2 days for Opening Days for the fall and spring semesters. If teaching faculty are required to do twenty (20) hours per year and a Staff Development Day has four (4) hours of required attendance, then deduct an additional five (5) days for the Staff Development requirement).

Hours per year = Hours per day times the days per year. To calculate how many hours are required to bank a percentage of the contract year, multiply the percent times the required hours per year.

For example, if an 11-month counselor wants to bank twenty (20%), two hundred twenty eight (228) hours beyond the normal duty day are required.

\[
\frac{6 \text{ hr}}{\text{yr}} \times \frac{190 \text{ da}}{\text{yr}} = \frac{1140 \text{ hr}}{\text{yr}}
\]

\[1140 \times 0.20 = 228 \text{ hours}\]

For example, two hundred twenty eight (228) hours banked would provide a 20% reduction in load for an entire academic year. One hundred fourteen (114) hours banked would provide a 20% reduction in load for one semester.

If the counselor teaches one (1) 3-unit course, this is one-tenth or ten percent (10%) of the thirty (30) LHE requirement and 10% (or 114 hours) would be required to have twenty percent (20%) banked time for an academic year.

5.17.11.2.4 A second committee meeting shall be held within two weeks of the first meeting. The purpose of the second meeting shall be:

(a) To consider leave projects that have been resubmitted.

(b) To review matters related to District requirements and to act on any of these matters left unresolved after consultation with the affected Schools or departments.

(c) To draft memos to inform concerned persons of the disposition of matters in (a) and (b) above.

5.17.11.2.5 Before the close of the fall semester, the Chairperson of the Sabbatical Leave Review Committee shall convene a meeting of the Chairperson, the Academic Senate President, an Association representative, and the Vice President for Academic Affairs. They will certify the final leave list and notify all applicants. Should the financing formula in sub-section 5.17.11.2.7 of this Agreement or the District's requirements, outlined above, require any leave postponements, those persons with lowest priority will be chosen according to first, leave seniority; second, college seniority; and finally, by lot. The Chairperson will notify those persons of such postponements. Should leave withdrawals or other circumstances later affect the status of applicants whose leaves have been postponed on account of the restriction outlined in this Article, the Vice President for Academic Affairs will notify them at the earliest possible time.

5.17.11.2.6 **Administrative Review:** The Vice President for Academic Affairs shall submit the Committee's recommendations to the Superintendent/President. He/She shall review the recommendations. If the recommendations of the Superintendent/President differ from those of the Sabbatical Leave Review Committee, the Superintendent/President shall meet with the Chair of the Sabbatical Leave Review Committee prior to the February Governing Board meeting. The Superintendent/President shall forward the applications to the Governing Board.
5.17.11.2.7 **Approval by Governing Board:** The Governing Board shall act on the recommendations at the February Board meeting. The number of sabbatical leaves approved by the Board shall be determined as follows:

5.17.11.2.7.1 If the actual ending balance as reported in the most recent CCFS-311 formula exceeds ten (10) percent of that year’s actual unrestricted expenditures, the Board shall grant all leaves recommended by the Sabbatical Leave Review Committee, not to exceed ten (10) percent of all full-time faculty members.

5.17.11.2.7.2 If the actual ending balance as reported in the most recent CCFS-311 form is between eight (8) percent and ten (10%) percent of that year’s actual unrestricted expenditures, the Board shall grant all leaves recommended by the Sabbatical Leave Review Committee, not to exceed five (5) percent of all full-time faculty members.

5.17.11.2.7.3 If the actual ending balance as reported in the most recent CCFS-311 form is less than eight (8%) percent of that year’s actual unrestricted expenditures, the approval of any sabbatical leaves is at the sole discretion of the Governing Board.

5.17.11.2.8 **Notification:** The Superintendent/President shall notify the applicant in writing as soon as the Governing Board has acted on the proposal. If the Governing Board rejects the applicant's request, the applicant shall be informed in writing and shall be informed of the reasons for rejection of the application.

5.17.12 **Withdrawal, Postponement and Passing Leaves**

5.17.12.1 In the event that a leave is postponed for administrative reasons such as those described in 5.17.11.2.5, or for any other reason beyond the practical control of the applicant, the leave entitlement will advance normally for the following year, unless the applicant is
at the highest step. The applicant will remain at that step until the leave is granted, or until the applicant passes and returns to the regular cycle. Postponements must be approved by the cognizant administrator and the Sabbatical Leave Review Committee.

5.17.12.2 Unit Members who have had their sabbatical leave plan approved and had their leave postponed for administrative reasons (5.17.11.2.5), shall submit the proposal or an updated proposal for the following year. Approval by the Committee of the Unit Member's postponed plan shall be automatic. Any revisions to the plan will be processed as in 5.17.13.

5.17.12.3 A Bargaining Unit Member who reaches the eighth (8) year leave step and passes the leave shall revert to the sixth (6) year stipend schedule, and shall rise again through the steps, continuing to rise and fall until the leave is finally taken.

5.17.12.4 Special circumstances may entitle a bargaining Unit Member to retain highest stipend rank until a leave to be a participant at such an event is taken. However, such events will not entitle an applicant to higher standing on the stipend schedule if the applicant is not yet on the eighth (8) step. Applications for such postponement of entitlement should be made during the year of eligibility, specifying the date of the intended leave in the project proposal. The Sabbatical Leave Review Committee, by full vote, will determine eligibility for such postponements. This subsection and agreements created hereunder will expire on June 30, 2008.

5.17.13 Revisions of Approved Professional Development Leave: The approval of the Vice President for Academic Affairs and approval of the Sabbatical Leave Review Committee is required for any revision of an approved Professional Development/Sabbatical Leave.

5.17.14 Reports: Upon completion of a Professional Development/Sabbatical Leave, a bargaining Unit Member shall submit a written report to the Vice President for Academic Affairs prior to October 1 of the year of return from leave. The report shall include the original proposal with any approved changes and shall be signed by the Unit Member's Dean or appropriate administrator. If the purpose of the leave was academic study, official transcripts shall be included. On recommendation of the Vice President for Academic Affairs, the Sabbatical Leave Review Committee shall review and evaluate Professional Development/Sabbatical Leave reports. In the event that a report is found to be unsatisfactory, it will be returned for revisions. If the revision does not satisfy the Committee's objections, it may deny or defer eligibility for future leaves. Guidelines for completing Sabbatical Leave reports, Form D, (Appendix G).

5.17.15 Effect Upon Salary, Benefits and Retirement

5.17.15.1 Professional Development/Sabbatical Leave shall constitute a year's service for salary increment purposes.

5.17.15.2 Sick leave will neither accumulate nor be charged against the Unit Member.

5.17.15.3 While on Professional Development/Sabbatical Leave, Unit Members will be eligible to receive health and welfare benefits.
The District's contributions will be prorated in accordance with Section 5.17.7.4 of this Article.

5.17.15.4 A Unit Member who has had Professional Development/Sabbatical Leave may, at the Unit Member's option, pay into the State Teachers' Retirement System (S.T.R.S.) the amount required by S.T.R.S. to receive full-time credit.

5.17.16 **Failure to Fulfill Professional Development/Sabbatical Leave Obligation**

5.17.16.1 In the event that the Unit Member fails to satisfactorily complete the leave program approved by the Governing Board, as determined by the District, the Unit Member shall be required to reimburse the District the cost of the leave.

5.17.16.2 In the event that the Unit Member fails to render service amounting to twice the term of the leave following his/her return from Professional Development/Sabbatical Leave, the Unit Member shall reimburse the District the same proportion of the total sabbatical compensation received as the proportion of the amount of time which was not served bears to the total amount of time agreed upon.

5.17.16.3 Failure of a Unit Member to return and render service or to complete the scheduled leave program shall not result in reimbursement to the District if such failure is due to the Unit Member's death or it is certified by a physician designated by or satisfactory to the District that failure was due to the Unit Member's bonafide physical or mental disability.
ARTICLE VI: TENURE REVIEW AND FACULTY EVALUATION

6.1 Unit Members shall be evaluated in accordance with the policies and procedures and on the forms negotiated between the District and the Association. Adopted evaluation and tenure review policies and procedures are contained in a separate document, Tenure Review and Faculty Evaluation Manual, which can be obtained at the Human Resources Office or on-line in the Public Folders of Outlook under Tenure Review.

6.1.1 In accordance with the Tenure Review and Faculty Evaluation Manual, full-time Unit Members shall perform duties outside the classroom such as, but not limited to, the following: developing curriculum in their disciplines, and/or participating in Program Review, and/or conducting peer evaluations, and/or serving on departmental and District-wide committees.

Thereafter, applications will be submitted in accordance with 7.2.4.2.

7.2 CONTRACT SALARY SCHEDULE CLASS PLACEMENT AND RECLASSIFICATION

7.2.1 Initial class placement or reclassification on the salary schedule shall be based upon a Unit Member meeting the educational requirements identified on the salary schedules in Appendix B.

7.2.2 Acceptable Units and Degrees: In determining the initial class placement or reclassification, only units and degrees earned from an accredited institution of higher education will be accepted. To be accredited, an institution must be certified as accredited by a regional accreditation commission. Exceptions to this will be institutions where provision for regional accreditation is not available, in which case the cognizant Vice President will recommend approval or disapproval of the units or degree to the Superintendent/President. The decision of the cognizant Vice President may be appealed under Section 7.4 of this Agreement.

For initial salary class placement and reclassification, only degrees earned, which by District determination are related to the Unit Member’s current or anticipated assignment, will be accepted. The degree will be considered earned after the District receives an official letter certifying that all of the requirements for the degree have been completed, and the date when the degree will be awarded from the Registrar or appropriate administrator from the institution from which the degree was earned.

Courses not designated as upper division or graduate completed subsequent to
the Bachelor's Degree for which credit for initial class placement is desired need the approval of the cognizant Vice President.

Lower division courses completed subsequent to the Bachelor's Degree for which credit for initial class placement is desired need the approval of the cognizant Vice President.

7.2.3 Alternate Salary Reclassification Policy and Procedures

7.2.3.1 Horizontal salary advancement units of credit will be granted, in lieu of course credit, for approved faculty proposals.

7.2.3.2 Proposals must be submitted to the cognizant Vice President on forms provided by the District and that provide information in narrative form about the following: (1) number of units requested; (2) nature of the project; (3) benefit to the student, instructor and college; (4) applicability to the subject area in which the Unit Member is teaching or anticipates teaching; (5) procedures for implementing the project; (6) expected beginning and ending dates and anticipated number of hours needed to complete the project; (7) form of the final report to the Salary Evaluation Appeals Committee.

7.2.3.3 The proposal shall be reviewed by the cognizant Vice President and the S.C.E.A. President. Both parties must agree for the project to be approved. If the cognizant Vice President and the S.C.E.A. President do not agree, the project proposal shall be submitted to a committee composed of two (2) members appointed by the Association and two (2) members appointed by the District. A majority vote of approval by this committee shall be needed to approve the proposal.

7.2.3.4 A maximum of six (6) units earned under this procedure may be applied to any class of the regular salary schedule for horizontal advancement.

7.2.4 Reclassification Procedures

7.2.4.1 (A) Accredited college or university courses, including extension courses, that are specified as upper division or graduate courses on transcripts, are automatically acceptable for reclassification if they meet one of the following conditions:

(B) Courses and/or professional development activities not designated as upper division or graduate may be used for reclassification with approval of the cognizant Vice President. When such approval is required, it shall be based upon the following criteria:

(1) In-service courses and/or professional development
activities developed and sponsored by the District, approved by the cognizant Vice President, and offered for professional growth of the staff, shall be acceptable if designated as “hurdle credit” by the Staff Development Committee. (2) Courses and/or professional development activities that directly relate to the Unit Member’s assignment; shall be acceptable if their content can be applied to student learning, programs, and/or college operations. To make this evident, the faculty member shall demonstrate that the content of the activity was, is being, or will be shared with colleagues, applied in the classroom, and/or used in college operations or programs within the duties of the faculty member.

(C) To earn credit for attendance at a multi-session or multi-day conference, or similar activity, each session for which hurdle credit is requested shall be subject to the product requirement of 7.2.4.1 (B)(2) above.

(D) When credit for presenting at a conference or similar activity is approved, it shall be awarded at a rate of “two times the number of hours of the session” to acknowledge the preparation time as well as the presentation time.

7.2.4.2 All course work to be used for reclassification must be completed prior to the beginning of the semester in which the Unit Member is reclassified. To be effective for the entire semester, the Unit Member must complete the reclassification procedures no later than September 22 to be eligible for reclassification for the fall semester, and February 22 for reclassification for the spring semester. Requests received after these dates will not become effective until the following fall or spring semester.

Unit Members shall verify class advancement course credit by filing with the Human Resources Office an official grade report or an official letter or an official transcript from the accredited institution. It is the Unit Member’s responsibility to request course work verification not later than two weeks prior to the deadline date for reclassification. A copy of the request for verification shall be provided to the Human Resources Office. The deadline for reclassification shall be assumed to have been met if the Human Resources Office receives the verification of completed course work after the deadline date if the Unit Member has fulfilled all of the requirements of this section, and the delay was due to circumstances beyond the Unit Member’s control.

7.3.1.2 Only hours of paid work experience directly related to teaching assignments shall be counted toward advanced placement. The following schedule shall be used to determine credit for previous work experience and teaching experience other than teaching experience credited under 7.3.1.1:

Step 2 - One year's previous experience  
Step 3 - Two or three years' previous experience

The Unit Members serving on less than seventy-five percent (75%) of a full-time contract shall be granted an increment for each two (2) years of satisfactory service.

7.3.2.1.1 A Unit Member who receives an overall summary evaluation rating that is less than satisfactory shall remain on his/her current salary step.

7.3.2.1.2 If, during a subsequent evaluation, the less-than satisfactory rating improves to satisfactory, the Unit Member shall be advanced to the step on the salary schedule on which he/she would have been placed if a less-than-satisfactory rating had not occurred and shall be paid retroactively from the date the increased salary would have originally been received.

7.3.2.2 Effective July 1, 2007, a Unit Member will advance from Step 16 to Merit Increment A, or from Merit Increment A to Merit Increment B, or from Merit Increment B to Merit Increment C if he/she has completed the equivalent of three (3) years of full-time service on the maximum of salary Classes I and above, and has a satisfactory evaluation during the last evaluation year.

ARTICLE VIII: HEALTH AND WELFARE BENEFITS

FULL-TIME FACULTY

8.1 Effective January 1, 2005, the minimum District contribution to the health and welfare benefit package for full-time faculty members is five thousand two hundred dollars ($5,200) per year. For faculty members who require additional funds (to pay for health and dental for themselves, their spouse or registered domestic partner and legal dependents, and mandatory life insurance for themselves), the following District contribution will be made to augment the $5,200 base level for those faculty members who opt into the plan:

8.1.1 The District will contribute $1.2 million to the District-wide employee Health and Welfare Plan.

The amount to be distributed to full-time faculty will be no less than the proportion of out-of-pocket costs incurred by the full-time faculty relative to the out-of-pocket costs incurred by all employees receiving the District’s contributions to the Health and Welfare Plan.

The additional proportional full-time faculty funds will be distributed to those full-time faculty members who incur health and welfare out-of-pocket expenses. The additional funds may be used only for health and dental premium expenses for the full-time faculty member, his or her spouse or registered domestic partner, and his or her legal dependents.

8.1.1.1 The maximum District contribution for medical benefits will be no greater than the highest HMO selection based on their dependent status (employee, employee and one, employee and two). The employee must pay the difference.

8.1.2 Opt-in and opt-out requirements:

8.1.2.1 Full-time faculty who are hired before January 1, 2005 will be able to opt out of the District Health and Welfare Plan; however, the maximum District contribution to the health and welfare benefit package for full-time faculty who opt out will cap at five thousand two hundred dollars ($5,200) per year.

Full-time faculty who are hired after January 1, 2005 will not be able to opt out of the District Health and Welfare Plan.

8.1.2.2 A full-time faculty member who opts into a District plan may not opt-out after the close of the 2006 open-enrollment period.

8.1.2.3 A full-time faculty member who currently is opted out of the District plan must provide the District with annual proof of personal health insurance.

RESIDUAL FUNDS

8.1.2.4 Full-time faculty who are hired after January 1, 2005 will not receive residual funds from the District health and welfare contribution of five thousand two hundred dollars ($5,200).

Residual funds are defined as those moneys left over from the District contribution of five thousand two hundred dollars.
($5,200) after the full-time faculty member has selected his/her health, dental, and mandatory life insurance coverage.

8.1.2.5 Full-time faculty who are hired before January 1, 2005 will continue to be eligible to receive residual funds from the District health and welfare contribution of five thousand two hundred dollars ($5,200).

8.1.3 The starting point for future Health and Welfare negotiations will be the base amount as delineated in Section 8.1. For the purposes of future negotiations, the full-time faculty will not return to the previous level of only $5,200 District contribution.

8.2 A contract or regular Unit Member with less than a full-time assignment shall receive the health and welfare benefits in the same proportion that his/her teaching load is to a full-time teaching load.

PART-TIME FACULTY

8.3 Upon approval and acceptance by the Kaiser Health Plan, Inc., any part-time Unit Member and his/her dependents, at the Unit Member’s option, may participate, at no additional cost to the District, through payroll deduction.

8.3.1 Bargaining Unit Members who teach part-time for the District shall be eligible for medical insurance provided by the Kaiser Foundation Health Plan in accordance with the following conditions:

8.3.1.1 To be eligible for this employee-only benefit, the part-time employee must meet all of the following requirements:

8.3.1.1.1 Be assigned to render Academic service to the District during the semester in which he/she applies for this benefit.

8.3.1.1.2 To be eligible, the Unit Member must be scheduled to work in both the semester in which he or she applies and the following semester.

8.3.1.1.3 Make application on a form and within the timelines prescribed by the District.

8.3.1.2 Bargaining Unit Members who teach part-time for the District shall not be eligible for medical insurance under the following conditions:

8.3.1.2.1 If the Unit Member has full-time employment elsewhere or is retired from another position.

8.3.1.2.2 If the Unit Member has medical benefits available either through other employment or through dependant status on someone else’s policy.

8.3.1.3 If Kaiser does not approve the Unit Member’s application for Membership, the District is not obligated to provide alternative coverage.
8.3.1.4 Benefit payments shall be prorated as follows:

8.3.1.4.1 To be eligible during any one (1) year, the Unit Member must be scheduled to teach in the fall semester.

8.3.1.4.2 Upon hire, the Unit Member must elect to participate in the Kaiser Plan for one (1) year.

8.3.1.4.3 The District shall pay a share of the part-time faculty member’s premium that is equal to the percentage of a full-time load that the part-time faculty member is working in the fall and/or spring semester. The part-time faculty member shall pay the remaining balance of the premium including the entire additional premium of any elected dependent coverage to the District of the medical insurance premiums in five (5) equal payments in the fall and/or spring semester.

8.3.1.4.4 If the Unit Member does not have a teaching assignment with the District in the spring semester, the medical coverage may be continued at no cost to the District with premiums paid in full by the Unit Member, pursuant to the California Continuation Benefits Replacement Act (COBRA).

8.3.1.4.5 If the Unit Member drops the insurance coverage or is dropped by the Kaiser Plan, the District shall have no responsibility for payments of premiums.

8.3.1.4.6 The District reserves the right to require verification of any or all of the conditions described above.

**RETIREMENT**

8.4 The District agrees to continue to provide financial support for medical and/or dental insurance coverage for all full-time Academic Unit Members who retire after July 1, 1988, and in accordance with the following provisions:

8.4.1 To be eligible for this retirement benefit, a Unit Member must have completed a minimum of fifteen (15) years of full-time satisfactory service to the District and have reached the age of fifty-five (55) in the year of application.

8.4.2 A Unit Member who meets the longevity and age requirements, and who elects to receive this benefit, shall be granted the sum of up to one thousand dollars ($1,000.00) for the life of the retiree annually, or fifty percent (50%) of the employee’s medical benefit cost if selected from the District’s benefit plan, whichever is the larger amount, which shall be used to help defray the costs of health and/or dental insurance for the retired Unit Member. If an employee requests to continue participating in the District’s program, the money provided shall be used to defray a portion of the premium costs. Any additional premium costs shall be borne by the retired Unit Member.

8.4.3 Prior to the time of retirement, a Unit Member may request, in writing, to the
Human Resources Office, that he/she wishes to continue to participate in the District's medical and/or dental insurance programs which are offered to currently employed Unit Members. If an employee requests to continue participating in the District's program, the money provided under 8.4.2 shall be used to defray a portion of the premium costs. Any additional premium costs shall be borne by the retired Unit Member. If a Unit Member does not elect to participate in the medical and/or dental plan at the time of retirement, the Unit Member cannot request to participate at a later date. Participation in the District's health and/or dental plan shall be subject to the terms prescribed by the health and/or dental plan insurance providers.

8.4.4 If a retired Unit Member does not request to participate in the District's health and/or dental plan as provided under 8.4.3, or subsequently drops the plan, the District shall annually pay to the retired employee the benefit provided under 8.4.2, upon verification by the employee of annual medical and/or dental insurance benefit costs for the retired Unit Member in an amount equal to or in excess of the benefit provided in 8.4.2.

8.4.5 A Unit Member may elect to continue to include a spouse, at the expense of the Unit Member, in the District's health plan, as long as the retired Unit Member is also participating in the District's health plan.

8.4.6 A surviving spouse who was participating in the District's health plan at the time of the Unit Member's death may continue to participate in the District's health plan at his/her own expense after the death of the retired Unit Member. The District will pay ninety (90) days or three (3) months of the premium with the amount not to exceed two hundred fifty dollars ($250.00).

8.4.7 If a retired Unit Member moves out of the service area of District health providers, the retired Unit Member shall be reimbursed up to fifty percent (50%) of the current average District cost for active Members, or one-thousand dollars ($1,000) per year, whichever is greater, limited to verified medical coverage costs paid by the member.

8.5 A committee consisting of three (3) members appointed by the Association, three (3) members appointed by the District, and equal numbers from all other representative and non-representative employee groups, shall convene annually to recommend the list of specific health and welfare offerings from which the bargaining Unit Members may choose, to the Association and the District.

8.6 A Section 125 pretax flexible benefits plan shall be added to the College’s health and welfare benefit package, subject to Internal Revenue Service limitations.

8.7 Selections shall be made in the manner prescribed and on the form attached to this Agreement (Appendix E).
ARTICLE IX: CLASS SIZE

9.1 DEFINITION

9.1.1 Single-Section Class: A single section class is defined as a course of which only one (1) section has been scheduled to be offered during a semester or the summer period between semesters.

9.1.2 Class Maximum: Class maximum is defined as the largest number of students that may be registered into a course without the authorization of the instructor.

9.1.3 Class Minimum: Class minimum is defined as an established percentage of the class maximum rounded to the next highest whole number.

9.1.4 Overlay Classes: An overlay class is defined as a class that is scheduled to meet at the same time and place and with the same instructor as one or more other classes. The District may overlay any courses that have previously been overlaid; however, no classes may be overlaid without the consent of the instructor responsible.

9.1.5 Team-Teaching: Team-teaching is defined as two (2) or more Academic instructors jointly assigned to teach the same class in the same room at the same time. Team-teaching classes may be utilized only with the permission of the responsible instructors.

9.1.6 Learning Communities: Learning communities are two or more classes that are linked together by a common theme. The classes are taught by two different instructors; however, the same students should be registered for both classes. The enrollment roster of one should be identical to the enrollment roster of the other. The instructors link the content of the courses through common themes and concepts.

9.1.7 For purposes of Section 9.2 of this Agreement, classes conducted during the day program and during the evening program shall be considered separate entities. Any class which begins after 4:30 p.m. shall be assigned to the evening program.

9.2 CLASS CANCELLATIONS

9.2.1 At the discretion of the Dean any section of a course may be canceled prior to the beginning of Registration.

9.2.2 Any section of a course may be canceled at the discretion of the Dean in consultation with the Vice President of Academic Affairs until the last day of the add period. Whenever feasible, the Dean and the Department Chair will consult on the cancellation prior to making a final decision.

A single-section class reaching fifty-five percent (55%) of the agreed upon maximum for that class shall not be cancelled. At the Dean's discretion, a single-section class with less than fifty-five percent (55%) may remain open.

9.2.3 No classes shall be canceled by the District after the end of the add period.

9.2.4 Extension and late starting classes may be canceled at the end of the Registration period for that class.
9.2.5 Regional Occupational Program (R.O.P.) classes offered by the District shall be exempt from this section of the Agreement and may be canceled subject to the rules and regulations of the San Diego County Department of Education.

9.2.6 The District shall have the right to reassign Unit Members to other courses in order to maintain the Members' full teaching load.

9.3 CLASS MAXIMUMS

9.3.1 The District and the Association agree to maintain class maximums at the level approved by the Curriculum Committee. The recognized class maximum is determined on the course outline as approved by the Curriculum Committee.

9.3.1.1 Class maximums at the Chula Vista Campus apply to courses offered at the off-campus sites unless circumstances and space/facilities at the off-campus sites make that impossible, in which case the Vice President for Academic Affairs and the cognizant Dean of the offsite location will jointly make adjustments in the maximums as needed.

9.3.1.2 Class maximums of newly proposed courses or courses submitted for modification shall be established by a consensus agreement between the full-time Unit Members teaching in the subject area in which the course is being offered and the Dean. The consensus agreement shall be among those present at a meeting called by the Dean for the purpose of establishing the class maximum. The Dean shall notify the Unit Members of the committee five (5) working days before the meeting.

9.3.1.3 If consensus agreement for these newly proposed courses or courses submitted for modification is not obtained, the class will be referred to a committee made up of two (2) members appointed by the Association, and two (2) members appointed by the District. The maximum for the new class will be established by an agreement among any three (3) members of the committee.

9.3.1.4 If the committee fails to establish a class maximum, the maximum shall be established by the District. When establishing the maximum, the District shall take into consideration such factors as the maximum of similar classes, the instructional methods proposed for the course, and facility or equipment limitations.

9.3.1.5 The class size for all learning community linked classes described in 9.1.6 will reflect the lower class maximum of the courses in the learning community. This can be increased by mutual agreement of the faculty in the linked classes.

9.3.2 For classes meeting more than once each week, a Unit Member shall be required to accept students up to the class maximum throughout the add period.

For classes meeting once each week, a Unit Member shall be required to accept students up to the class maximum during the first two (2) class meetings or throughout the add period, whichever is longer. A Unit Member may accept students during the third class meeting. For the purposes of this section, a week is defined as six (6) consecutive instructional days inclusive of Saturday.
9.3.3  The class maximum for an overlay class shall be the average of the class maximums of the classes involved.

9.3.4  Class maximums may be modified to reflect changes in teaching methodology or curriculum revisions. Modifying an existing class maximum requires all of the following:

9.3.4.1  A majority vote by secret ballot of the full-time members in the discipline who are eligible to teach the class. The Dean shall make a reasonable effort to contact eligible faculty members who are on an approved leave so that they can vote;

9.3.4.2  Approval of the Dean and the Vice President for Academic Affairs.

9.3.5  If any Unit Member voluntarily enrolls students in any class in excess of five percent (5%) of the class maximum, as determined on the first census report, the District shall take the following action:

The District and the Association shall jointly notify the Unit Member, in writing, that he/she is in violation of the agreement existing between the Association and the District, and that in the future, the Unit Member will be expected to conform with the provisions of the agreement.

The District shall provide the Association a copy of any written notice required under section 9.3.5.
ARTICLE X: TRANSFERS

10.1 **DEFINITION:** A transfer is defined as a reassignment of a full-time Unit Member from one School, division or site to another and/or from the Chula Vista Campus to an extension site and/or from an extension site to the Chula Vista Campus or another extension site. Assigning a Unit Member to teach fifty-percent (50%) or more of his/her load outside the School, division or site to which he/she is primarily assigned constitutes a transfer. Unit Members required to work more than fifty-percent (50%) outside their past School, division or site because of a structural reorganization by the District shall constitute a transfer.

10.2 **INVOLUNTARY SITE TRANSFERS**

10.2.1 Transfers of tenured or tenure-track Unit Members to an extension site may be initiated by the District whenever such transfer is necessary to avoid a reduction in faculty positions or workloads, to accommodate space limitations due to increased enrollments, or to maintain or expand programs and services. The following faculty members will not be transferred involuntarily: Academic Senate officers including the President, President-Elect, Vice President, and Secretary; S.C.E.A. officers including the President, Vice President, Secretary, Treasurer, Grievance Chair, and members of the Negotiating Team; the Tenure Review Coordinator; and Department Chairs.

10.2.2 Transfers to an extension site shall be made so there is a minimum of disruption to projects, committee work, and student activities and shall be rotated equally among all Unit Members who meet the qualifications for teaching or working in that discipline. During the period of transfer, the Unit Member’s regular office will be retained by the Unit Member.

10.2.3 The Department Chair shall make every attempt to solicit volunteers for an involuntary transfer. If there are no volunteers, a rotation schedule will be established based upon reverse order of seniority of tenured faculty members. No rotation shall exceed one (1) year per person.

10.2.4 A Unit Member affected by such transfer shall be given prior written notice, and a conference will be held between the Dean, the Department Chair and the Unit Member in order to discuss the transfer.

10.2.4.1 If a Unit Member believes there are extenuating circumstances which preclude an involuntary transfer, he/she will attempt to work out an exchange in the rotation with other members of the department. If this is unsuccessful, the Unit Member shall meet with the Dean for a decision.

10.2.4.2 If the Dean’s decision is unacceptable to the Unit Member, he/she may appeal the decision to the Involuntary Transfer Review Committee. This committee shall consist of two (2) members appointed by the Association and two (2) members appointed by the District.

10.2.4.3 It requires the affirmative vote of three (3) or more members of the committee to overturn a decision that has been appealed. The decision of the Involuntary Transfer Review Committee is not subject to the grievance process in Article XII of this Agreement.
10.2.5  Unit Members teaching overload and part-time may be assigned to any on or off-campus site, depending upon the needs of the instructional program as determined by the Unit Member's Dean. All Unit Members will receive the standard mileage allowance when teaching or working at more than one District facility.

10.3  TRANSFERS BETWEEN SCHOOLS

10.3.1  Prior to transferring a tenured or tenure-track Unit Member from one School to another, the District administrator responsible for making the decision shall seek concurrence from the Unit Member being transferred and the School administrators from the Schools involved. The School administrators from the Schools involved will review the proposed transfer with the faculty members within the Schools affected. Involuntary transfers shall not be made for arbitrary or capricious reasons.

10.3.2  Prior to the decision to transfer becoming final, the District administrator responsible for approving the transfer shall notify in writing the Association and the Unit Member of the decision and the rationale for the proposed transfer.
ARTICLE XI: SAFETY CONDITIONS

11.1 California CAL-OSHA shall govern safety conditions within the District.

11.2 Any correspondence resulting from an OSHA examination or safety audit of Southwestern Community College District facilities shall be provided to the Association within five (5) working days of receipt in the office of the Safety Officer.

11.3 The District shall investigate whether it shall be feasible to expand the existing committee on workplace safety (in which classified employees participate) to monitor faculty and administration concerns about workplace safety in addition to its present tasks.
ARTICLE XII: GRIEVANCES

12.1 GENERAL PROVISIONS

12.1.1 A grievance is a claim by an aggrieved party that there has been a violation, misapplication, or misinterpretation of the provisions of this Agreement.

12.1.1.1 A grievant is the Association or Member of the Unit covered by the terms of this Agreement.

12.1.1.2 A day is a day in which the central administrative office of the District is regularly open for business, excluding spring, winter and summer recess periods.

12.1.2 Failure to meet time limits: If a grievance is not processed by the grievant in accordance with the time limits set forth in this Article, it shall be considered settled on the basis of the decision last made by the District. Except as provided herein, if the District fails to respond to the grievance within the time limits at any level, the expiration of the time limit shall be deemed a denial of the grievance and termination of the level involved, and the grievant may proceed to the next step.

12.1.2.1 Time limits hereunder may be lengthened or shortened in any particular case only by mutual written agreement.

12.1.3 Association Representation: The grievant shall be entitled to representation by the Association at all grievance meetings. In situations where the Association has not been requested to represent the grievant, the District will not agree to a final resolution of the grievance until the Association has received a copy of the grievance and the proposed resolution and has been given an opportunity to state its written views on the matter. Ten (10) days will be considered an opportunity in this instance.

12.1.4 Release Time: Grievance meetings will normally be scheduled so as not to conflict with classroom duties. If this is not possible, the Association shall use release time provided under Article III: Association Rights, for the purposes of processing the grievance.

12.1.5 No Reprisal: There shall be no reprisal against the Unit Member for filing a grievance or assisting a grievant in this procedure.

12.1.6 Grievance Files: The District's records dealing exclusively with the filing and processing of a grievance shall be maintained separately from the grievant's personnel file. Such grievant's file shall be kept confidential. All records used in this grievance procedure, which may have derived from personnel files maintained by the District, will be returned to those files without indication that they had been used in this grievance procedure.

12.2 GRIEVANCE PROCEDURE

12.2.1 Level I

12.2.1.1 Within fifteen (15) working days of the time an employee knew or should have known of the occurrence of an alleged grievance, the Unit Member shall discuss with the immediate supervisor the alleged grievance.
12.2.1.2 If a satisfactory resolution is not reached within two (2) days of the discussion, the grievant shall present, within three (3) days thereafter, on the grievance form, attached hereto as Appendix C, the grievance in writing to the next higher designated administrator or designee.

12.2.1.3 The next higher administrator or designee shall communicate the decision to the Unit Member in writing within seven (7) days after receiving the grievance. The grievant, next higher administrator or designee may request a personal conference within the above time limits.

12.2.2 **Level II**

12.2.2.1 In the event the grievant is not satisfied with the decision at Level I, the decision may be appealed on the appropriate approved form to the Superintendent/President, or his/her designee, within five (5) days.

12.2.2.2 In order to be processed or considered, the appeal shall include copies of the original grievance and decision rendered, and the reason of the appeal.

12.2.2.3 The Superintendent/President, or his/her designee, shall communicate the decision to the grievant in writing within ten (10) days of receiving the appeal. Either the grievant, the Superintendent/President, or his/her designee, may request a personal conference within the above time limits.

12.2.3 **Level III**

12.2.3.1 Prior to submission of a grievance to binding arbitration, either party may ask for the services of the State Mediation and Conciliation Service for mediation and recommendation.

12.2.4 **Level IV: Binding Arbitration effective January 1, 2002**

12.2.4.1 In the event the grievant is not satisfied with the decision at Level II, or the mediation step described in 12.2.3, if utilized, has not resulted in a settlement, the Faculty Association shall notify the Superintendent/President that the grievance shall be submitted to a neutral arbitrator. Such notification shall be in writing and filed with the Superintendent/President within ten days after receiving the decision in Level II, or within ten days after the mediation session is held pursuant to 12.2.3. The notification must contain a written statement from the Faculty Association agreeing to arbitration of the grievance.

12.2.4.2 Within ten (10) days of the grievant giving notice that he/she wants to submit his/her grievance to arbitration, the parties shall meet for the purpose of identifying a mutually acceptable arbitrator. If the District and Association cannot agree on an arbitrator, a request for names shall be submitted to the State Conciliation and Mediation Service. Upon receipt of the list of arbitrators, the parties shall select one by alternately striking names from the list until one name remains. The remaining name shall become the arbitrator.
12.2.4.3 The arbitrator selected shall schedule a hearing as expeditiously as possible at a location convenient to the parties.

12.2.4.4 The arbitrator’s jurisdiction shall be limited to determining whether the Collective Bargaining Agreement has been misinterpreted or misapplied and shall have no authority to grant or deny tenure. Nor shall the binding arbitration step set out herein be used in lieu of the statutory procedure described in Education Code Sections 87661 - 87683, i.e., discipline or dismissal of a contract employee.

12.2.4.5 The arbitrator shall neither add, detract from, nor modify the language contained in the Collective Bargaining Agreement. The arbitrator’s decision will be binding and final upon the parties.

12.2.4.6 The cost of the services of the arbitrator, including the cost of the court reporter and transcripts, shall be shared equally by the parties.

12.2.4.6.1 Unless both parties agree otherwise, in the event of a cancellation or postponement of an arbitrator hearing, any cancellation or postponement fees charged by the arbitrator shall be borne by the party requesting the cancellation or postponement.
ARTICLE XIII: PERSONNEL FILE CONTENTS AND INSPECTION

13.1 Materials in personnel files of employees that may serve as a basis for affecting the status of their employment are to be made available for the inspection of the person involved.

13.2 Such material is not to include ratings, reports, or records which: (1) were obtained prior to employment of the person involved; (2) were prepared by identifiable examination committee members; or (3) were obtained in connection with a promotional examination.

13.3 Every employee shall have the right to inspect such materials upon request, provided the request is made at a time when such person is not actually required to render student services.

13.4 In the case of derogatory materials related to a faculty member's assigned duties or professional responsibilities, such material shall not be entered in a faculty member's personnel file unless and until the faculty member is given notice and an opportunity to review, comment, and to have such comments attached to the material in question. The faculty member shall acknowledge that he/she has read the materials and does not necessarily indicate agreement with its contents.

13.5 Any derogatory material placed in a faculty member's file must be signed and dated by the originator and the management person responsible for placing it in the file, and a copy shall be given to the faculty member prior to the time of insertion in the personnel file. No anonymous letters or materials shall be placed in this file.

13.6 There shall be only one official personnel file for each bargaining Unit Member. No action, except as prescribed by law, may be taken against a Unit Member on the basis of material other than that contained in the official personnel file.

13.7 Personnel files shall be kept in confidence and shall be available for inspection only by the Unit Member, a representative of the Association (with the Unit Member's written authorization), and authorized administrative employees of the District when actually necessary in the proper administration of the District's affairs or the supervision of the faculty member.
ARTICLE XIV: NO STRIKE/NO LOCKOUT

14.1 During the term of this Agreement, the District will not lock out its employees, and the Association, its officers, representatives or agents, will neither cause nor encourage its members to engage in any strike.
**ARTICLE XV: PART-TIME FACULTY**

15.1 **ADJUNCT FACULTY CONSIDERATION FOR FULL-TIME POSITIONS:** An adjunct instructor shall be interviewed for an advertised full-time Academic position if he/she meets the following requirements:

1. **15.1.1** Meets the advertised minimum qualifications for the position.
2. **15.1.2** Has completed all of the required application procedures.
3. **15.1.3** Has been rated satisfactory in all previous adjunct evaluations.
4. **15.1.4** Has rendered services to the District in the area of the vacancy for three (3) or more semesters.

15.2 **PART-TIME SERVICE:** The hiring of part-time faculty to staff classes shall serve the best interests of the students at Southwestern College (SWC). Vesting is rehire rights based on the following:

1. **15.2.1** **Definitions:** For the purposes of this Article, there are two categories of part-time faculty under this contract: vested part-time faculty with rehire rights and non-vested part-time faculty.

2. **15.2.2** **Eligibility:** To be eligible for rehire rights, the part-time faculty member must have taught a minimum of 2.4 Lecture Hour Equivalent (LHE) each semester (excluding summer and intersession) for six (6) sequential semesters in one discipline. At the end of the sixth consecutive semester of satisfactory performance, a part-time faculty member will be granted rehire rights. Continuation of rehire rights is contingent upon satisfactory evaluations, the timing of which will be conducted in accordance with the Tenure Review and Faculty Evaluation Manual.

3. **15.2.3** **Priority Assignment:** Priority assignment is acquired on the first day of semester following the satisfaction of all requirements for vested status. Rights of assignment commence during the first scheduling cycle that begins after the faculty member has acquired rehire rights. Part-time faculty members who have a minimum of ten semesters of service with satisfactory evaluations or who have three satisfactory evaluations on record as of January 1, 2006 will automatically be granted rehire rights.

4. **15.2.4** **Break in Service:** Vested status does not extend to part-time faculty members who have a break in their service to the discipline unless agreed upon in writing by the cognizant Dean prior to the break in service.

5. **15.2.5** **Right of Assignment:** In determining class assignments among part-time faculty, the Dean in consultation with the Department Chair, shall make a good faith effort, consistent with the needs of the department, to ensure that part-time faculty members are offered a teaching assignment in the following order:

1. **15.2.5.1** **Vested Part-time Faculty** will have a reasonable expectation of an assignment consistent with previous SWC assignments, assigned in preference over non-vested part-time faculty. Vested part-time faculty members may also request and may be assigned additional assignments up to the maximum load if consistent with the needs of the department.
15.2.5.2 **Non-vested Part-time Faculty** will be assigned, as needed, to serve the best interests of the District and in accordance with their classroom and summary evaluations.

15.2.6 **Evaluations** will be conducted in accordance with the Tenure Review and Faculty Evaluation Manual. Each non-vested part-time faculty member will be evaluated three times over the course of six semesters. Vested part-time faculty members will be evaluated by the Dean, or designee, at least once every six semesters. At the discretion of, and upon mutual agreement between, the cognizant Dean and the cognizant Department Chair, an out-of-sequence full-performance evaluation of a part-time faculty member may be conducted per the Tenure Review and Faculty Evaluation Manual.

15.2.7 **Bumping Rights for Contract Load:** Full-time faculty members have priority for assignment over all part-time faculty members prior to the publication of the printed or on-line class schedule, whichever occurs first. If a full-time faculty member's contract assignment is cancelled at any point after the publication of the class schedule, the full-time faculty member must accept an alternate assignment as assigned by the Dean, in consultation with the Department Chair and the faculty member, in order to fulfill his/her contract load as consistent with the current S.C.E.A. contract. Such alternate assignments shall be determined in the following order to the extent possible:

1. If a contract load course cancels, the full-time faculty member shall accept an alternate class assignment from among any remaining unstaffed classes.

2. If no unstaffed classes are available, the full-time faculty member shall accept a class staffed by a non-vested part-time faculty member in that discipline.

3. If none of the above options are feasible, the full-time faculty member will be assigned a class that fulfills his/her contractual obligation, as determined by the Dean.

15.2.8 **Bumping Rights for Overload Classes:** If a full-time faculty member’s overload assignment is canceled and that faculty member requests an alternate overload assignment, or if the faculty member’s decision to request an overload assignment occurs after the publication of the class schedule, and if the Dean, in consultation with the Department Chair and the faculty member, concurs with the request, the assignment of such requests will be determined as follows:

1. The full-time faculty member shall accept an alternate overload assignment from among any remaining unstaffed classes.

2. If no unstaffed classes are available, the full-time faculty member shall accept an overload class staffed by a non-vested part-time faculty member in that discipline.

3. The full-time faculty member may not bump a vested part time faculty member in order to acquire an overload assignment.

4. In any specific case where extenuating circumstances exist, the Dean may modify the priorities in items (1), (2), and (3) above.
15.3 **Service Credit** - Unit Members earn service credit towards retirement. One year service credit equals 525 FTE. Full-time equivalent (FTE) is defined as the number of days or hours of creditable service a person employed on a part-time basis would be required to perform in a school year if employed full-time in that part-time position. (Education Code Section 22138.5(c)).

One year service credit for those positions referenced in Article 4.2.3 through 4.2.8 of this contract shall adhere to the number of hours pursuant to Education Code Section 22138.5(c)(4).
ARTICLE XVI: DISTANCE INSTRUCTION

On-line instruction is the use of technological devices to bring the teaching and learning process to students who are at different location(s) and/or are at a different time(s) from the instructor. All courses that are taught in an on-line instruction modality are subject to all provisions as defined in the S.C.E.A. Contract. Distance instruction courses mentioned in this article also include hybrid courses.

16.1 All distance instruction assignments will be voluntary and Deans will retain the right of assignment for those volunteer assignments.

16.2 On-line instruction courses are not to exceed sixty percent (60%) of a professor’s load. They will be given the same units and maximum LHE credit as in the face-to-face courses.

16.2.1 Exceptions to this sixty percent (60%) limit shall be granted with the written approval of the cognizant Dean and the cognizant Vice President. The S.C.E.A. President shall be notified of these exceptions in writing within one week of their approval.

16.2.2 No exceptions to section 4.3.11 of this agreement shall be granted.

16.3 Initial on-line instruction course assignments for first-time on-line instructors will be limited to one section. A second section may be taught upon mutual agreement among the faculty member, the cognizant Dean and the Department Chair.

16.4 The developer of an on-line course will have the first right of refusal in teaching that course when it is first offered.

16.5 With the agreement of the cognizant Dean, the faculty member may hold office hours from a remote location, in proportion to the professor’s on-line load, for an on-line course via electronic communication.

16.6 Whenever an on-line course is offered, if possible, the traditional classroom course shall also be offered by demand and need.

16.7 All Unit Members are entitled to academic freedom in full accordance with the Academic Freedom policy of the District. An Academic Freedom policy is also mandated in the California Code of Regulations title 5, 51023(a).

16.8 The training offered by the On-line Learning Center shall be in accordance with the guidelines set forth by the Academic Senate, the Academic Technology Committee, the Curriculum Committee, and will occur prior to the initial teaching of on-line courses.
ARTICLE XVII: INTELLECTUAL PROPERTY

17.1 A Unit Member who is the creator of an academic work owns the copyright for that work, including work created within the Unit Member’s scope of employment. An exception is work that is separately contracted and compensated by a written agreement between the Unit Member and the District. This provision will apply without regard to the medium in which the academic work is created or presented.
ARTICLE XVIII: CONTRACT CLAUSES

18.1 SAVINGS PROVISION: If any provision of this Agreement or any application of this Agreement to any Unit Member or group of Unit Members is held invalid by operation of law or by a court or other tribunal of competent jurisdiction, such provision shall be inoperative, but all other provisions shall not be affected thereby and shall continue in full force and effect.

The parties shall meet no later than ten (10) days after notification of such written decision by a court or tribunal to negotiate on the provisions affected.

18.2 EFFECT OF AGREEMENT

18.2.1 It is understood and agreed that the specific provisions contained in this Agreement shall prevail over District practices and procedures and over state laws to the extent permitted by state law.

18.2.2 It is understood and agreed by both the District and the Association that throughout the process of negotiating this Agreement, each party has made and withdrawn proposals that relate to existing practices outside of the provisions of the present contract. Each party agrees that the making and withdrawing of these proposals does not constitute a modification of their existing rights and benefits.

18.3 RE-OPENERS

18.3.1 Upon written notice and completion of the Public Notice requirements set forth in Government Code Section 3547, the Association and District may re-open negotiations on health and welfare benefits, department chair structure and two additional non-economic Articles selected by each party in September 2007. Articles to be re-opened for the academic year 2008-2009 will be selected by each party in September 2008.

18.4 COMPLETION OF MEET AND NEGOTIATION: This Agreement shall constitute the full and complete commitment between both parties and shall supersede and cancel all previous agreements both written and oral. This Agreement may be altered, changed, added to, deleted from or modified only by the voluntary consent of the parties in a written and signed amendment to this Agreement.

18.5 RATIFICATION: Both the District and the Association shall exercise due diligence in ratifying this Agreement within a reasonable time frame and shall not unreasonably delay in approving, signing and returning the Agreement.
ARTICLE IXX: TERM

19.1 This Agreement shall remain in full force and effect from July 1, 2009 through June 30, 2012, and thereafter shall continue in effect year by year unless one of the parties notifies the other in writing no later than one hundred twenty (120) days prior to the termination of this contract of its request to modify, amend, or terminate the Agreement.

**Formula for Determining Compensation – Academic Year Reassigned Time:** The Department Chair shall be compensated through reassigned time in increments of twenty (20%) to be no less than forty percent (40%). For those departments with more than sixty (60) full-time and part-time faculty, the Chair shall receive sixty percent (60%) reassigned time; for those departments with a total number of faculty greater than eight (80), the reassigned time shall be eighty percent (80%). The number of faculty in a department shall be established through an evaluation of the four most recent semesters, within which the highest number shall be adopted. During this evaluation the following considerations also will be used to determine extenuating conditions requiring additional reassigned time: the total number of sections that are offered, the special nature of equipment and expendables, external requirements, or others as mutually agreed upon by the Academic Senate, SCEA, and administration.

**Overload Stipend.** Compensation for extra duties performed by the Department Chair (or -designee) shall be in the form of an overload stipend calculated as one-quarter (1/4) of the annual amount of the reassigned time for that Department, multiplied by the individual’s hourly lab rate. That is, a Chair with forty percent (40%) (or twelve (12) LHE) reassigned time during the regular year would be paid the equivalent of one laboratory class. The balance paid in cash payroll (Item H) where applicable, is subject to appropriate payroll taxes.

I fully understand that I cannot change the status of the District’s plans in **Items C through H**, until the next open enrollment period. Furthermore, I understand that medical coverage is optional and should I decline coverage for myself and/or my dependents, I will hold the District harmless for expenses or injury incurred by me and/or my dependents.

GUIDELINES FOR COMPLETING SABBATICAL LEAVE REPORTS

Given that the work accomplished over the duration of a sabbatical varies from person to person and within an individual sabbatical, guidelines for reporting must remain flexible. At the same time, according to the SCEA Contract, the following is required:

Section 5.17.10.1.1 A proposed plan for the Professional Development/Sabbatical Leave shall be submitted in writing to the Vice President for Academic Affairs and the appropriate administrator no later than November 15th of the academic year prior to the year for which the leave is requested. The plan shall provide sufficient information for the evaluation pursuant to Section 5.17.1 (Purpose), 5.17.2 (Criteria), and 5.17.3 (Professional Development Categories).

Section 5.17.14 of the Contract addresses the completion of a Professional Development/Sabbatical Leave report. Upon completion of a Professional Development/Sabbatical Leave, a Bargaining Unit Member shall submit a written report to the Vice President for Academic Affairs prior to October 1st of the year of return from leave. The report shall include the original proposal with any approved changes and shall be signed by the Unit Member's Division Dean or appropriate administrator. If the purpose of the leave was academic study, official transcripts shall be included. On recommendation of the Vice President for Academic Affairs, the Sabbatical Leave Review Committee shall review and evaluate Professional Development/Sabbatical Leave reports. In the event that a report is found to be unsatisfactory, it will be returned for revisions. If the revision does not satisfy the Committee's objections, it may deny or defer eligibility for future leaves.

In addition, the Sabbatical Leave Review Committee offers guidelines for the required report of accomplishments. The Contract indicates in Section 5.17.11.2.2 that the Sabbatical Leave Review Committee reviews leave reports from the previous year, including any recommendations from the Superintendent/President concerning those reports. Reports are of great value to your fellow faculty members in enhancing their teaching skills, in generating ideas for the classroom and future sabbaticals, in writing reports of future sabbaticals, and are the primary means of evaluating the sabbatical, a responsibility delegated to the committee by the Governing Board. Therefore, the following guidelines are offered for clarification of report format, content, and adherence to the Contract Section 5.17.

Each written report should use a format suitable to its own discipline and should also include:

1. Title page, Table of Contents, and a one-paragraph abstract describing your sabbatical leave.
2. A copy of the approved proposal as an Appendix.
3. A concise description of your work over the duration of the sabbatical. This should include schedules with dates.
4. A description of the accomplishments derived from the activities of the sabbatical based upon the objectives of the proposal. In other words, what were the goals of the sabbatical leave, how were they implemented, how were they beneficial for the candidate?
5. A determination of how the accomplishments of the sabbatical leave will benefit the faculty, staff, students, and the District. Institutional plans, accreditation reports, and Discipline Assessment Reports could be helpful in discussing the relationship of the sabbatical work to institutional goals and plans.
6. How the sabbatical leave recipient will communicate information derived from the leave to others and what activities will be undertaken to accomplish this.
7. The report should include any rationale and documentation relating to Section 5.17.13, Revisions of Approved Professional Development Leave, if applicable.
8. Collaborating materials in the appendices, such as resource materials, transcripts, etc., as required by Section 5.17.14 of the Contract.
